### **Gordon Earns Certification**

Karen Gordon, Business Analyst with JMV Management Services, recently earned the Professional in Human Resources (PHR) certification. The certification, awarded by the Human Resource Certification Institute (HRCI), signifies that Gordon possesses the theoretical knowledge and practical experience in human resource management necessary to pass a rigorous exam demonstrating a mastery of this knowledge.

The HRCI is the credentialing organization for human resource professionals and is an affiliate of the Society for Human Resource Management (SHRM), the world's largest organization dedicated exclusively to the human resource profession. The Institute's purpose is to promote the establishment of professional standards and to recognize professionals who meet those standards.

JMV Management provides senior-level finance and human resources management services to small businesses on demand.
