Vales Speaks at S.P.A.N. Symposium

Jill M. Vales, President of JMV Management Services, recently presented at the Strategic Partners Alliance Network (S.P.A.N.) Symposium held May 29, 2008 at The Thornblade Club. The Symposium was sponsored by JMV Management and ASE Wealth Advisors. Vales, whose topic was “HR Essentials for Small Businesses,” provided information on legal compliance, recruiting, employee retention and performance management.

“While it may seem to be a cliché, it is indeed true that people are a company’s most important asset,” Vales says. “Hiring the right people in the first place and then motivating and recognizing them are the keys to happy and thus productive employees.”

Other presenters at the Symposium were Peter Rutledge from Leatherwood, Todd, Walker and Mann, who spoke on Identify Theft, and Daniel Barry from the Principal Financial Group, who spoke on Executive Compensation and Benefits Strategies.

JMV Management provides on demand human resources and finance management services to small business and nonprofit organizations. For more information, contact Vales at 864-363-7921.
